“ *Catie, we grew up together. We spent hours of hanging out and staying at each other's house's even when I moved over 2 hours away. I am not sure how we lost contact during our senior year but I wish to this day I had more time with you. I was just thinking about you only a few days before I found out. I'm so glad to have met you in 1st grade. I pray for the Cooper family and peace in their heart. I wish I could be there with you all to remember the good times with my dear childhood friend.*

Yours, Amy (Walkup) Hurley
