“ I just learned of Cathy's passing. We worked together for many years in the Subrogation Department at Anthem Blue Cross and Blue Shield. She was a very special and intelligent person. We would share rides back and forth to work occasionally so I got to meet Clay, Matt, Jenny and the first Grandson. I remember Cathy would get so excited about having a big party for her close friends and relatives each year on the Fourth of July. They would have Lawn Jart Tournaments and she showed me the trophies that she would hand out to the tournament winners. Clay and Matt, I am so sorry for your loss. My condolences to the entire family. I know Cathy is truly missed.

“ *I first met Cathy and Clay in 1999 with my future in laws. My now husband and I of 22 years were engaged in their home. Finding out that Cathy and I were one day apart in birthdays made it even more special. It hurts to of her passing, but I will always cherish the moments that we had seeing each other at family reunions. To Clay and Matt, blessings to you all. May God bless you as you will always have a place in my heart. My Cathy be resting in peace in God's hands. Love to you all. Cathy will truly be missed.
