Joyce, thanks for keeping in touch with my mother. I never knew of you, but thank you for being there for my mother. She was a wonderful mother, who I will always treasure each and every day. Thanks for reaching out and getting in touch with my Aunt Bev as well.

Thanks Linda, for keeping in touch with my mother. She left an impact on whatever she did, big or small. Her friends were important to her, and she'd help them out however she could. I will miss her, but time must go on.
