“ I had the pleasure of working with Cathy during her first years at Allegion. I was proud to call her a friend. Cathy always had a smile on her face and any time I was back at Tobey drive, I would try to find her to say hello. She was such a pleasure to be around and her smile would light up the room. I had the honor of working with both Jennifer and Jamie and respected both of them. Words cannot express my sorrow during this time of grief. Jesse Jeffries
