“ I just tried to call Chuck and got a number no longer in service message so I surfed the internet and this notice was found. I am so very sorry for the loss of Chuck to his family and close friends. I worked with Chuck at GAF/Ozalid for many years. We had a great time when we were together. I was with Chuck when he met Ginny. I am really saddened by this news. Charles Nolte

“ I have known Chuck Cook for over 40 years. Since my first day at GAF Corporation in 1974. I have to say that he was not only a co-worker but fast became a special friend. Knowledgeable, friendly and I was always impressed how much our customers loved him. Chuck showed me the ropes for every customer we had in Northern Indiana and Michigan. He taught me how to properly pronounce some of those Michigan towns like Dowagiac and Wicatewa. There are a few Ozalid machines out there, flickering today and in need of a great technician. Over the years I have come to know those closest to him and he just became a close friend to Jim Gabel, my sister Diane and me. He will be missed. My heartfelt condolences to Ginny and Shelly for their loss. Tom Kukuk
