*To my Loving brother, I will hold your memories in my heart for the rest of my days here on earth. You were so special to me, I know I never visited with you much but I always loved you and looked up to you. My heart would break if you were mad at me or yelled at me. I know you always had my best interest at heart when you were angry at me. The last message you sent me on you told me you would come see me but you weren't able to travel, I thank God for that message because I got to tell you how much I loved you and how much you meant to me. I know your pain is gone now and you are flying high, but the pain the ones are feeling for not having you is so hard. You were a special person and a great dad, husband, brother, papaw ,,uncle ,son, and a treasured friend to many. Until we meet again my big brother. I Love You Mary.*
