“ I've been in Florida with my family and thinking a lot about Tim, feeling helpless and perhaps a bit in denial. I send my heartfelt condolences to his family.

I worked with Tim's dad for many years and visited with him when he was retired in Florida. Tim and I inherited each other through Charlie. Tim has handled all my insurance needs for decades.

We tackled all sorts of legal issues together over the years, often meeting for breakfast at the association restaurant. Tim was my go to guy when I needed a golf scramble partner. We rode ATV's together at his weekend property. We joked and laughed. Like his dad, Tim filled a room with his jovial presence.

To say I'll miss him is an understatement. He was part of my circle of forever family of associates, colleagues and friends. We always talked about future plans. I can hear him even now telling me "don't wait Teddy." I know he's planning a golf outing for when we meet again.

I can't write this without a lump in my throat and mist in my eyes. I know how sorely he will be missed by the scope of fond memories he leaves behind. May his memory be eternal.

Blessings to Tim and family. Sincerely, Ted Nicholas and family.

“ I had the pleasure of taking care of Tim on multiple occasions. We would laugh, we would cry and just sit and talk throughout my shifts. Made my day walking into work and hearing him say “Hey Kirs.” Love and comfort to him and his family ❤️
