“ *In memory of Bro. Charles:*

*What Makes a Dad:*

*God took the strength of a mountain,  
The majesty of a tree,  
The warmth of a summer sun,  
The calm of the quiet sea,  
The generous soul of nature,  
The comforting arm of night,  
The wisdom of the ages,  
The power of the eagle's flight,  
The joy of the morning in spring,  
The faith of a mustard seed,  
The patience of eternity,  
The depth of family need,  
Then God combined these qualities,  
When there was nothing more to add,  
He knew his masterpiece was complete,  
And so, He called it DAD.*

*Sister Pam and all the Nelson family:  
You are in my thoughts and prayers today. So sorry for your loss.

“Dad, one of the most polite and kindest persons I have ever came in contact with in my entire life. From day one he treated me like I was one of his own, even when I was being a real Doofus Dork, Dad never ever criticized me or try to dis me He always showed the love of Christ toward me no matter what. I always thought that He and Mom were like Ozzie and Harriet, I had an much older gentleman tell me once, if you really want to know how a man and a woman really are after the Curtains are drawn and the lights are off, look at the children. I believe with all my heart that Mom and Dad were the real thing. He will be missed by many and He will always have a special place in my heart, when I think of Charles Nelson, I will always think of how good, real and pure He was. I will always love and respect you and your beautiful family Dad, with love your son - n - law Jerry Anthony.
