“ C.D.Phillips was my favorite uncle, and more like a father to me for 56 years, he and my aunt Glenda Faye always had a open door, and a place at the table for me and my brother and sister. There were many times that I had to go down the street to their house for safety reasons and they always were home to show me the love that I didn't get. I can't express the hole that is in me right now, I have lost a father, mother, and sister but this one is really hurting 💔 . I will never be the same person I was. But will live on and know that he wanted nothing but the best for all of us. I love you more than you will ever know... jrae.

A man of integrity who walked tall and showed the love of Christ from his heart to everyone he met. Every word I have heard him say has been a kind word. Heaven has gained another treasure. Rest In Peace My Brother in Christ.
