“ Chuck has been my friend since 1992 when my oldest son joined Troop 107. He was a great role model and mentor for both of my sons and a mentor for me as I served as an adult leader through the years. Chuck had the unique gift of being able to inspire boys to excel in their Scouting and personal lives and develop leadership skills they didn't know they had. He had the same effect on adult leaders also. He will be missed greatly by all of us but we were all so blessed to have had him in our lives all the years. Take care my friend.

“ Chuck was instrumental in my adolescent development. He encouraged me to lead and taught me valuable skills. He was a kind man and I'll always remember his passion and drive to help turn us into better men. Sad to hear of this loss.

“ *I became a scout leader in 1986, and as time went by I got to camp with Chuck and got to know Chuck a bit and I learned many many scouting things from him. Very sad to see his passing. Farewell to my brother scout as he goes on to the great unknown test.*
