I hate myself but I don't wanna kill myself without knowing my mom I hate my stepdad because he said my mom died because of me and my sisters but TC and Aaliah said it was drugs and Kevin who is my sister said that she cheated on my stepdad with Kevin because my step dad was abusive and you still kind of is but ever since he had a girlfriend he stopped I want to know things about my mom since I never really got to know her I'm going into 7th grade and I have a lot of hard stuff going on especially with my friends but I want to be able to know my mom so if anybody is willing to tell me if you guys want to know a little bit more about myself to know that it's actually me I will say I just want to know about my mom
