“ I am Clark's great grandson, Alex Schwark. I remember going over to Clark and Betty's with my Dad, Scott. They had really old toy cars I played with when I was a kid and I remember Clark had many golf balls of white and bright green if I am remembering correctly. I think I remember seeing a very old Cincinnati reds baseball as well.

I also remember that Clark called French fries... Freedom fries when we went out to get cheeseburgers.
