“ Dear Bill and Family, I am so sorry about Colleen. She was such a great lady and a lot of fun to spend time with. We golfed together with the Cathedral League. We had great conversations on the course and at lunch afterwards. The last time I saw her she was bringing me a wonderful meal after my knee surgery. I will miss her dearly. Bill, I'm sorry we never got to connect and talk over past SPX times and the old neighborhood. Please know that you are in my thoughts and prayers. May eternal rest grant unto you, Colleen.

“ Dear Bill and family, My heart is broken for all of you as well as for myself. I have been close friends with Colleen for longer than any other person in my life, beginning our friendship in first grade at Christ the King. We've shared laughter, tears, family functions, summer camps, kickball teams, CKS festivals, euchre clubs, class reunions and so much more. She has always been a generous, loving person and always fun to be with! She will be deeply, deeply missed. My prayers will be with all of you.
