“ This message was sent out the day Colleen left us, but wanted her family to know how the Wednesday Mixed Bible Study cherished her: Our dear sister in the Lord, Colleen Mattingly, has passed on to be with our Lord and Savior Jesus Christ this morning. Colleen was (and still is) a wonderful Christian lady and a delight to all that met and knew her. She has meant so much to our Mixed Bible Study over the years. Without her we would not have started the Wednesday Mixed Bible Study group. I know that this is a huge shock to all of us. Please be praying for Colleen's family.

“ Oh Colleen, how you will be missed! The world is a bit dimmer without your beautiful presence. Your smile could light up a room! I loved seeing you at all of the different functions and on walks where Jake and I would run into you and Delilah. You were always so much fun! It just will not be the same without you. Rest In Peace dear friend.

“ Colleen was the first neighbor I met when I moved in 6 years ago. She was a delight to know. She always had time to stop and talk for a few minutes when she was walking Delilah. She will be greatly missed. Rest in Peace dear girl. Love, Kathy

“ Colleen was loved by everyone she met. Your Mom was a gracious leader in Bible Study here at Britton Falls and also a fun partner on the dance floors. She is the only one I know of that can dance all night with bare feet and laughed and laughed about it. Such a beautiful gem. Now God has her. Rest in Peace beautiful lady. Love you.

*Colleen will be very missed by her friends on Arista Lane. She always had a wave, a smile, and a very caring heart. I will always remember her loving words to me, "Let me know if I can help." She loved talking with us about her grandchildren, as they brought her such joy. We are grandparents, too, and love that role just as she did. We saw photos of all her grandchildren and even met Emerson. Colleen was a woman of faith, one who lived her faith. To Colleen's Family: please know we are holding all of you close in our hearts as you endure this painful loss.*
