“ We shared a lot of laughs throughout our school years together and although we haven't seen each other in person since...catching up with you on FB was just a good. Your comments about your neighbors, your kids, what amazing meals you can cook, not to mention your garage sale deals and life in general (good or bad) you seemed to always keep your humor...for example posting old school pics of me on FB...lol! I'm glad to have been your friend and you will be missed!

“ We've been friends since our daughter's were 5 years old and in cheerleading together.. Worked events at victory field and Lucas to pay for our girls to do it.. She always made me laugh, had an infectious smile, and we had many wonderful conversations. Stayed friends even after our girls quit. Haven't seen or talked to her nearly as much as I would like the last few years.. But I always knew she was there if I needed her and I hope she knew the same. It's really impossible to think I'll never talk to her again. I love you Connie. Praying for the family

“ Connie was one of my dearest friends during high school. When my husband passed away very unexpectedly 18 months ago, Connie was one of the first people to reach out and offer her support. The world was truly a better place with Connie in it. She was genuinely one of the kindest and sweetest people I have ever been fortunate enough to call my friend. Our thoughts and prayers are with you all. I hope you are able to find some comfort in knowing that Connie was loved and her friendship treasured by so many.
