“ I love Connie as if she were my sister. I do not remember a time when she was not my very good friend. We started first grad together, went to church together, spent nearly every week end together, and hours upon hours laughing together. She loved me unconditionally. I will miss her so much. I am so looking forward to the day when I will spend all eternity with my friend. Rest in our Saviors arms Connie, and I will meet you again on the other side.
