“ Every moment I have ever had with Aunt Connie left a positive memory. I will forever miss her loving hugs, great advice, and positive vibes. She most definitely left us with a loving and caring imprint on our lives! She will finally get to go home and meet Uncle Jack for the next chapter in life. I will miss her dearly! Love Always, Jessica Sanderson

“ *Mom had "faith like a child" (Matthew 18:3). She truly trusted in the Lord the way a child trusts a parent and sees new things with wonder. Her faith made her stronger and even more loving at the same time as her body and mind got slowly weaker. I'll never forget the way she faced the loss of Dad in 2019, then Scott, then her own ailments. With humility, trust in what lies ahead, and ever increasing love and peace in her heart.* ”

Sending prayers to help comfort the entire family. I had the honor of helping sell her last home on Fall Creek and working with Kay and her husband, Doug, and meeting Craig at the closing. It is a pleasure to know all of you as I still keep in touch with Kay. We both were "only daughters" surrounded by brothers and had special bonds with our mothers. Always remember, a Mother's love is FOREVER. Sincere regards from Sue Cox.

I'm so sorry to all of the Riggs family. Your parents hold so many fond memories for our family. Connie and Jack were both a big part of my kids childhood!!! I will always remember and cherish their kindness.
