I'm truly sorry to hear this, I remember them, growing up with them, being friends with Angie. Being in North Africa I miss out on a lot of things that happen. I'm so shocked and so sad, they were both really good people. My heart goes out to both families. Francine Ait Hammou- Cook

“ Curtis had called me two months ago to see how i was doing. That's the type of guy he was. I have replayed the conversation in my head over and over these past few days. This does not make things any easier but i can hear his laughter and that was Curtis.

As we move forward I'd like to give my deepest condolences to the Holden family. Curtis and Angie will be deeply missed by all. May they rest in peace.
