“ *When Dana had his daughter (Angela) on visitation weekends, they would come to our home (Ben and Juwan DeBoer). We would have pizza and homemade brownies most times and play UNO. As everyone knows Dana always loved a competitive game, and trust me when I say, Ben and I rarely won at UNO! Dana analyzed every hand we had and that had been played. It was a great, hilarious time we all had with each of their visits. He will be missed.*
