“ When I think of Danny, good times full of laughter bring to mind special memories. Danny instilled values in his boys. What better legacy can you leave....

“ I have so many wonderful memories of Danny and your whole family. Even though he was several years older than us Collins cousins, he was always so good with all of us growing up! Plus he had an amazing sense of humor! (José Jiménez comes to mind.)

Our dads loved each other deeply, and we loved our Uncle Bob and Aunt Ollie and you guys just as you all loved your Uncle Bill and Aunt Betty and us. Like all who knew and loved Danny, we grieve your loss and will always remember him fondly. Hugs and prayers to all.
