“ Dan had such a kind and genuine spirit, so patient with newcomers on the tennis court. He is truly missed at our CRC Sunday matches but won't be forgotten. It was a blessing to have met him and spent time on the court with him. God bless!

“ I surely loved Daniel, his spirit, heart, generosity and humor! We sang together on the tennis courts to distract our opponents and it worked (not to mention his great serve as was mentioned at the memorial service today). Most of all, being around Daniel and his peaceful soul, I always felt that things were going to be OK. He made me feel loved and appreciated. He also knew a lot about music and literature. He was truly a Renaissance man. He will stay with all of us in spirit. God bless Daniel, Carolyn and Katy and all of your beautiful extended family.

“ Dan will be sorely missed. First, he was our brother in Christ and a loving addition to our home fellowship, always ready to help where needed. He and his wife, Carolyn, have been a sweet part of our lives since our move to Indiana 10 years ago. Second, Dan has been a great friend, who rose to the occasion. He could make friends of anyone, from mixing it up with Gary’s college buddies at the Indy 500 to bonding with our two boys by taking them to the Conner Prairie Festival of Machines or to see Cars 3 in the theater and then play jazz in the car on the way home. Dan was our coffee barista at our fellowships and our uber driver for anyone in our fellowship when there was a need. He was fun loving, had a heart of gold, and all who knew him loved him. It is hard to say good bye but we know he is awaiting Christ’s return and we look forward to that glorious reunion.

“ My heart is heavy and I'm missing my friend. But I don't have to think too long before I recall a time that he made me laugh - a deep, hard laugh. My thoughts and prayers go out to Carolyn, Katie, and the rest of his family. I'm so happy he was one of my best friends, and my life was made better because of our friendship.

“ I met Dan at Carmel Racquet Club when I took over the organization of the Mixed Doubles Sunday Evening League. What a breath of fresh air Dan was to play with. He always showed others grace during play, and was just a genuinely interesting person to be around. I loved watching Dan serve, and trying to return his serves were challenging. I feel extremely blessed to have had the opportunity to get to know him, and play tennis with him. Dan will be missed by all.

*Sincerely, Mark Timmis*

“ I have so many memories from my 25+ year friendship with him and his family, Carolyn and Katie. He loved life and had that effect on everyone he met as well. From jet skiing at the lake to watching his Buckles play with her mom and dad. I got to watch his greatest pride and joy, Katie, grow into the most wonderful adult woman. He loved his friends and family like no other. So many people I have spoken to have said this one line, which describes him perfectly. “He was one of the good ones” I will forever miss him until we meet again. We need to remember that he is up in Heaven hugging Jesus and having the time of his life.
