“ DC was my next door neighbor (Brittany Woods) and first best friend when I moved to Indianapolis Jan of 1981. She was an amazing person. Her energy and positive attitude were contagious. She loved everyone and lived each day fully. This world will be a little less bright without her. She enriched my life, I will always remember her.

“ I am heart broken as I have just heart of this. Danita, I and others were in Camp Fire Girls together. Her mother was our faithful leader who served us so well. I can't remember a time when Danita didn't feel the room with energy and excitement. I just ran into her at election time where I was voting and she was serving the community so faithfully. She was a joy and so appreciated. Danita, I am so glad I will be seeing you again in Heaven one day. To God Be The Glory!. Well done, Good and faithful servant.
