Time has gone by and your so missed. Not a day goes by I don't think of you. You was my dad and my kids Grandpa. We love you so much. Still today my heart aches and writing this ain't easy. I know your with the love of your life,my mom. Loving her since you was kids until the day you both left to a better place. No matter what was said the lies. You know the truth and so do I. Rest in Paradise and know you will always remain in our hearts. With lots of love. Bye for now.

“ Dad you were taken too soon. But at least now you are no longer suffering and you are at peace. I will always remember and hold dear to my heart the times you took me fishing at Wagon Wheel, Camping in the summer at Dietz Lake, and sledding down the hills at Brookeside Park. Until I see you again one day. I love you and will always be your little girl ❤️

“ Miss you so much! You was very special to us. A great husband to my Mom, Grandpa to our Children, and a great Dad to us for over 25 years. I knew you wanted to be with Mom, knew you would get your way. You always said you would go first, and I know how much it broke your heart to see Mom leave this earth first. I know you and her are holding hands now, walking together, dancing together, together forever. Makes me smile because I know Mom was your everything and you were hers. We Love you very much.
