“ I'm still in shock over this. He looks like he is just getting ready to talk to us in the picture here, and although it's been quite a few years since I've seen him, I can hear his voice! My heart is absolutely breaking for Risa, Ryan, Brittany and Emily. Risa and Darryl were a special couple and had the kind of relationship that doesn't come along too often. We all wish we could find our 'soul mate' as they did.

I met Darryl through Risa, who was one of my best friends during childhood. I remember when Risa let me "borrow" Darryl when I was trying to buy a car. I didn't want to be treated 'like a girl' at the dealerships, so he went with me a few times until I found the right car. He helped get me the best deal possible!! What a good man he was to everyone he met!

You will be greatly missed my friend!!

Love,

Wanda

“ *I'm at a loss for words right now as I just found out about my oldest and dearest friend Darryl. I have known Darryl since we were young kids running around with our circle of friends Eric, Danny, Darryl, Tim and of course me right in the middle of this group of guys.... that I wouldn't change for nothing in the world! As I write this in tears , I just want people to know what a special person Darryl was and is and will always be to me... god bless you Darryl, you will and are already missed...*

“ *Darryl was a good friend to many folks in High School. One of our classmates that was new at FC commented "Darryl was the first person to talk to me when I came to FC...told me I talked funny because of my dialect"...that was Darryl. I've only seen him sporadically since we all graduated, but know I will miss him. So long until we meet again my friend. -Toby Wright FC class of '83-*
