“ *Loving thoughts go out to our dear sister, Patricia, and family during this time of loss. Our consolation is that Darryl was with for 71+ years, though we so wish it had been much longer. We hold in our hearts and memories the wonderful times we had together during family reunions, marriages and those terrific vacations taken together, Darryl's funny laugh and smile, his tender and caring ways, and his always willing to lend a hand to help. We will miss him so much! We love you!*

*Dear Pat and family, I was so sorry to hear of Darryl's passing. You and Darryl have always held a very special place in my heart. We had such good times together playing cards and eating banana cake. Even spending the night together in the snow storm and riding go carts. Week ends were such fun with you.
With love, Stevie Watkins*
