“ There was a man who knew no stranger and made everyone feel welcome--his name Dave Felts. Memories started at St.Pete Beach and carried back home to Indiana, where the stories and laughs continued. I will be with you in prayer as you close this chapter. I feel sure Peg Miles had a coffee pot with a martini ready for him as he entered those pearly gates. Judy, Angie, Gina and Lisa thank you for sharing your dad with us. Love, prayers and a lifetime of memories. May God Bless you all, Ann Miles Rounds

“ So many good things to say and laugh about with Dave, Big D or Peaches 🍑. Always enjoyed being with him, whether it was playing golf in the St Matthew golf outing, him unexpectedly stopping by my office to say hello, or listening to some of his sage advice like... “You have to have great anticipatory skills” or “ not just have a great day, but make it a great day”. These of course are just a few but he was truly one of the great ones and will be missed. Hope to see all the family members tomorrow at the viewing. Step Godson, Steve

“ No one knew how to get more fun and more laughs out of life than Dave Felts. People gravitated to him. His infectious laugh and turn of a phrase was like no one I've met before or after. Judy and Dave raised three amazing young women and the world was a better place when he was in it. My parents, Peg and Charlie would carry on for days over a hilarious thing Dave had said or done. I was blessed to know him and he will be missed beyond measure. Mike Milesnn Im
