“ Have known Dave since we were small boys. Joan and I went thru 12 Grades together. Watched him grow up from a great kid into a fine athlete as well as an all around great guy. Dave was all about family. Dave was the kind of man you would want all of your friends to be. I am sad that we will not share our memories again. I will keep Joan, Mark and John and the Grand Children in my prayers. He will be missed for certain by all who knew him.

“ Hello Fletcher family I am truly sorry for your loss. My name is Anna and I just wanted to share an encouraging thought during this truly difficult time spent with family remembering those that we have lost. May you find comfort in knowing that your dear one is safe in the memory of God, who will remember every detail about him and bring him back again. David will never have to face the last enemy, death, ever again. In the meantime, his acts of faith live on until he stands up alive in the Paradise.
