“ Ted was a great colleague who I always enjoyed interacting with. I was very sad to hear of his passing. My deepest sympathy to his family.

“ I was in school with Ted at Purdue and knew him well as we were Fraternity Brothers. If my memory is correct, I think Ted's father was a member of the Purdue Faculty. I have sent a copy of Ted's obituary to all living Purdue members of Tau Kappa Epsilon of that era. I can say that Ted was a very well liked and highly respected by all his TKE brothers and we all wish we had seen him more often after our Purdue days. His family has our sympathy. “ I played Chess a few times against Ted and he was always a gentleman over the board and away from it. Always kept a lost result in perspective and I suspect that was true in Life as well. The world is less without him. Dick Arnold
