

David John Juskow

March 22, 1953 - February 22, 2015

David John Juskow, 61, of Fishers, passed away February 22, 2015. He was born March 22, 1953 in Auburn, NY, to the late John and Mary Yurdyga Juskow. David's career spanned several decades, in various roles both financial and operational. His expertise was sought as Vice President of Finance for Sommer Allibert in South Carolina then on to Managing Director for Key Plastics UK, a role he flourished in and greatly enjoyed. His dedication, compassion and insight earned the respect and admiration of many, earning David lifelong friends in many countries. David was a firm believer in investing in operational excellence while working in a lean manufacturing environment and empowering the workforce. His ability to quickly assess weaknesses and inefficiencies and out-of-the-box thinking fundamentally changed or revolutionized various areas of operations in his various roles. David joined Rolls-Royce Aerospace in March 2000 as a member of the Finance and Business Assurance teams in Indianapolis. He then held key roles in the Purchasing organization and worked on several strategic projects in the U. S. and abroad. David transitioned on to Inventory Manager and then into his most current role in the Global Physical Logistics organization. He was responsible for all Warehousing, In-Factory Logistics, and Packaging

operations in the North American region. David was passionate about the game of golf, and football.

“ *Connie and Jack,*

Our hearts ache for you. Dave was a great neighbor and friend. Jim and James will miss their golf rivalry and all of us will miss chatting to Dave about his adventures and mostly about Jack. Dave was so very, very proud of Jack (and rightfully so). Dave was a kind man. We still talk about the fabulous bottle of wine he brought to us from Europe! We are here for you if you need anything at all. Our deepest sympathies, Jim, Jackie, James and Rachel
