“ I'm deeply saddened about the passing of Dave. He was a wonderful man, father and grandfather! Although I worked for Dave he was also a very good friend. My thoughts and prayers go to his loving family.

“ *The world is a better place because Dave was with us, even if his stay with us was cut short, and we are all better because we had a chance to know him and love him. We will miss your smile, we will miss your laugh and most of all, Dawn and I will miss your way of making every moment special. “It is foolish and wrong to mourn the men who died. Rather we should thank God that such men lived.”*

“ *As anybody who ever met Dave can tell you, he was a wonderful man. I worked for Dave for over 15 years at Essex but he never liked me to tell people I worked FOR him, it was that I worked WITH him. And that's the kind of guy he was -- very humble and never made you feel like he was superior to you. Dave was always as much a friend as a boss and although I had not spoken with Dave in a while my heart is broken that he is gone. Our condolences and prayers go out to Val and the family. As for Dave, I trust that they have the Big Ten network up in heaven, so you can watch the Hoosiers. Love you man.*
