“ *Dad said that when he got heaven the Lord was going to give him a SuperBee.. I'll miss your cute logic and you lying to your nurses in hopes they would just go away but you let me spoil you! You ate it up and I will miss you and your Twinkies, strawberry shakes. No more pain for you dad although I know if you could have stayed you would have and just embraced the pain.*

“ *One of the best friends a person could ever ask for. Dave was always there for me in times of need and just to make me laugh or smile. They really don't make them quite like Dave anymore. If you could look in the dictionary to describe what the definition of a friend is, you could probably find Dave's picture and name! He was really a true friend. We had many great memories together of cruising the south side and looking for a drag race and collecting glasses from Steak and Shake or just hanging out!! I truly do miss those times and will miss you more than words could ever describe but will always have the memories. I know in my heart that you are resting peacefully in Heaven with Jesus now and you are not pain any longer. Rest in Peace my friend. Kurt*

Beautiful Kurt, he wasn't verbal those last few days until he saw you and told you "good to see you buddy". Last words he spoke. You meant the world to him. Thank you for always being his friend.
