“*Brother David lives now in the glorious and luminous presence of our Creator and Sustainer free of any pain and human limitation. We celebrate his life and ministry and join June and children in their lost but also in the hope we Christians have that death is not the last word. “ Jesús said to her, “I am the resurrection and the life. The one who believes in me will live, even though they die.”*”

“*Sorry to hear of David's death. Though we've had little contact in recent years, in earlier times when we were appointed closer to each other, I considered David one of my good friends. My best wishes to you in this difficult time.*”

“*Dave was our pastor when our son David was born and also when my Dad passed. He was a great comfort to us. His sons and mine were the same age so we also had a lot of interaction as parents. He was a very kind and thoughtful man. My thoughts are with the family.*”
