“ Happy thanksgiving momma I will never forget the thanksgiving dinner we had over Skyped many years ago now!! You told me the table you sat on 3000+ miles away would one day be the happy table that would host many thanksgivings to come in my little family!!although the kids are grown now we still live on this legacy.Because Guess what you were right Mike packed that table up upon your dying wish and hauled it across country to Alaska and ever since it has hosted many many loved ones.. it is now in Slana and once again Clarence myself and our four blessed kiddos will be joining grandma and grandpa Brooks and even some extra significant others to our now older children this Thursday. mom I wish you could once again Skype us and join us but I will definitely remember that last thanksgiving and Cherish the table that brings us together once again!!! I love you so much mom and I miss you so deeply!!!
