“ Glenn was one of the best men that I have ever known, and I will carry memories of him all the rest of my days. He fought like a true warrior, and he loved his girls with everything he had. When we are faced with deep loss, we are catapulted into a crucible of grief, drenched with tears. GOD has equipped us with the ability to weep to help us process our losses. My dear Mar, Erin, Lauren & family, although I can only be with you in spirit, my thoughts, my prayers, and my love, now & always.
