“ **Jean*...what a 'one in a million' gift...truely a blessing to know and be a part of her life!
She always had something good to say, full of compassion and encouragement..she openly and anxiously, displayed her deep love and faith in our gracious and mighty, soon coming, Lord Jesus Christ.. Son of awsume God.. in Him, blanketed, her strength and future..the sunshine in/of her soul..she wanted everyone to have that personal hope, so we all could experience together, the marvelous things God has planned for each one of us...thank-you Lord for Jean..

“ *To Jean's Family,
What a sweet and kind lady Jean always was. We bought our house from Dick & Jean in 1975 and always enjoyed having them as neighbors. She loved you all so much. We are glad to have known her.*

“ *I do not have one memory but many memories of Aunt Jean. However, she said something to me when grandma had passed away. She told me "To do what is right in my heart." Because of those words, I have come to believe decisions I have made are a result of her wisdom. I am not sure if she ever knew how much those words meant to me, but for the rest of my life I will live by "Do what is right in my heart." Love you Aunt Jean.*
