“ Anita, Melvin, Marvin, and Paula,
A wonderful lady always loved to talk to her about her garden and I always loved her Facebook postings of her garden. So very sorry to hear of her passing. It is wonderful to know we will see her again someday because of her faith in Jesus. She will be missed on this earth by many. Our prayers are with your family.

“ I am so sorry for your families' loss. Delores was a wonderful lady whom I remember fondly from my younger years at Burger Terrace. She was always so sweet to me and my family and offered me prayers and encouragement through the loss of my own mother last year. She lived an honorable and blessed life. Now I'm sure she is wearing her beautiful crown of jewels in Heaven and rejoicing with her husband! God bless and comfort your family.

“ Just want you people to know that I loved that dear lady of yours and actually feel the loss, because she was such an encouragement to my heart. I know you miss her even more, but not for long, because once we are together again, it will be for the rest of eternity. May God bless you all as you continue to live for Him.
