“ Sandy, I'm so sorry to hear Dennis has passed. We worked together for a while and I always enjoyed him and Max Clark. Being an apprentice and learning from them was an honor. They were the best! I found out too late to make it to the funeral. Best wishes and prayers for you and your family. Aaron Branham

“ I am sorry we could not be at the service as we are in Florida. Red was a really good guy and a lot of fun. I remember when I got my first car and was fixing it up in the style we did back then. One night I went down to Dinos and Red was there. I really looked up to him because he was older and I knew he was a good mechanic and had a fast car (blue and white '55). He came over and complimented me and gave me tips and suggestions. We have been friends ever since. He was a great friend to Danny and they built cars and raced a lot. Sometimes I got to go with them in the early days. Later, when we all were going to Indian Creek we got to swap a lot of army stories. I could say a lot more but it makes me tear up. I am proud to have had him as a friend. Sandy, I am so sorry for your loss.

“ *Dennis and I worked together for many years; we travel all over installing floorcovering and had some great times. He will be missed more than I can say. He was one of the very few that stayed in contact with me after our retirement. I always loved getting a call from him and talking about old times. You will be missed buddy...Don and Kathy Meadows*
