“ My sympathy to Dee's family. Dee and I met in 1985 when she worked at BOA and I worked at FFIC. We became and stayed friends through-out her life. When Dee retired we met at least monthly for lunch at Donato's Pizza. Our lunches would last 2- 3 hours, talking about everything from family to sports to politics. I am sorely going to miss those lunches and miss Dee.

*With sympathy,
Amy Hebert*

“ I met Dee when she first started work at BOA some 38 yrs. ago and soon became great friends and meet-you-after-work-at-DaVinci's pals. We enjoyed her visits to our lake house in MI and so many other get togethers. She was a very smart lady with a great smile. I'm so very sorry for your family's loss; she loved you all so much and talked about her nieces and nephews all the time. God certainly gained another angel but He better be on his toes! “ We didn't know Diane very well, but had the pleasure of seeing her at McAlister's Deli in Dublin once or twice a week for the past several years. She was always so pleasant. We are sorry for her family's loss.

“ *I will miss our bantering back and forth over Ohio St. vs Notre Dame. I had to make Diane Buckeyes (candy), after Ohio State beat Notre Dame. She was special and I always looked forward to her visits.*
