“ I have fond memories going down at Cordry lake fishing and sitting out on the porch having lunch with the whole family. My most recent memory is driving around New Palestine subdivision looking at Christmas lights. Other years we drove to see the Monument lights downtown and listened to Christmas lights sync to the music. All of this included us sipping on a hot cappuccino from Speedway gas station. :)

We both had a love of pizza. Jockamos was her favorite. She will be missed and not forgotten.
