“ *I had written letters to Dianne before I had a chance to meet her. I was lucky enough to have the chance to meet her when she came to Texas in the early/mid 80s. It was sometime after Lori had graduated from high school. I also had the opportunity to meet Pam (Lori's sister) at the same time. I was impressed with Dianne and remember her being a sweet and loving person. She was able to put aside past hurts in order to make the trip to Texas and seemed to enjoy her visit while there. I never had the opportunity to see her again but it was such a positive experience that I have not forgotten it.*

*God bless you and your family. She enjoyed staying with you an extra few days on her visit, Harry. That was special. Take pleasure in knowing that she had fun. She is with God now; and there is no better place to be. Cyndi McClure.*

*My dear brother, I am so sorry to hear of her passing. She fought a good fight and it is her time to rest. You will see her again my dear. But for now am praying for you to have comfort in knowing that she is no longer in pain and has been reunited with her paents in Heaven.*
