“ Dee - You were always so funny and warm. You noticed us "crazy" O'Connor kids and gave us attention. You were always the one who would buy our cookies, or whatever we were selling. I think of your family every Christmas morning. We would look out the window to see which family was up first. Thank you.

I have a lot of great memories growing up on Dequincy. So many kids and so much fun. I always felt welcome at the Sommer's house. I remember Dee's smile and that always made me feel at home. you let me into your family and I will always remember and be grateful for that. Back then it truly took a village to raise the kids. what a GREAT group of moms we had on that block.

“ *Dee you were a great example to me of how to live life as it came. I never heard you complain when things got tough. You were quick with your laugh and always ready to help (especially when we brought home two babies at once) So glad to have had you in my life. I will miss you!!*
