

## Donald Barron

December 12, 1959 - July 25, 2022

Donald Barron, 62, of Indianapolis, passed away peacefully Monday, July 25, 2022 surrounded by his family. Don is survived by his wife, Beth Crider; parents, Max and June Barron; brother, Chris (Mimi) Barron; children, Max (Amanda) Barron and Shelby Barron; stepchildren, Sarah Crider and Ashley (Kevin) Barth; and grandchildren, Lauren, Logan and Cameron Barth.

Don was a great father, always supporting his children in every way. He enjoyed coaching and watching their sporting events. Don was their biggest fan and you would see him standing on the sidelines, cheering them on.

Don attended Indiana University, where he graduated with high honors from the Kelley School of Business. He established his own business in commercial land sales and financial planning, a career that spanned four decades. He had a tremendous work ethic. Respected and trusted, he built many lasting business relationships with his clients, many who became his friends.

Don's greatest passions were deer hunting, fishing and enjoying nature. He had a great sense of humor, with a sharp wit. He liked sharing his stories about his "Disco Briscoe" days, his escapades while attending IU. Don cherished his lifelong friends and loved to reminisce about their memorable experiences, laughing about the trips that they shared over the many years. Don loved to "put on the tunes" and listen to music while driving. He could almost always name a song, the band, the lead singer, and the guitarist, but

no singing!

Don will be missed but wanted all to remember him with a smile and fond memories of their shared experiences. In honor of Don, the family would like to extend an invitation to his Celebration of Life, Thursday, August 11, 2022 from 5:00 p.m. until 7:30 p.m. at Balmoral House, 10101 Hamilton Hills Lane, Fishers, IN 46038.

“ I regret learning of Don’s passing a few weeks ago. Heartbroken in fact, as I considered him a colleague and friend. He was mentor while at Eaton & Lauth 40 years ago and friends after he started his own company. He was a great friend and loved his children intensely. I’m truly heartbroken for his family. He will be missed.

“ Most of my memories of Don are from the early and mid 1960's from Byrd Drive. The little boy who always wanted to hang out with us bigger kids. And I can still see him rushing out the front door of his house and leaping off the elevated porch while letting out a blood curdling scream. His way of saying, "Here I come". RIP friend.

“ *Our kids played sports with both Max and Shelby at Chatard (2010 ish) and we always enjoyed talking and laughing with Don at the ball games. He often had funny, sly comments to share that we got a big kick out of!! He had a great laugh, something mischievous about it!! Great guy!!*

“ Don and I grew up together and used to shoot bb guns together a lot. We both exterminated our share of bad critters. I remember his party before his class all headed off to college. Almost everyone got thrown in my parents swimming pool with their clothes on. A friend of mine and I went down to an IU game one time and afterwards we tried to find him in the apartment complex he was living in. We asked some girls if they knew where Donnie (I grew up calling him that) Barron lived. They all started laughing and calling out " Oh DONNIE, DONNIE, someone is looking for you!" We all chuckled about it. I wish I'd spent some time with him later. RIP friend

“ *Don was a very professional Quality Broker - but much, much more!! Don sincerely had a care and a heart for those he represented, most especially farmers. Don used his skills and influence to protect and advantage his clients ...they were his friends, not just 'customers'. Don was honest and did every 'deal' with integrity, completely candid and approachable.
