“ Don & I became good friends during our time as Bubba's at St. Matthew Men's Club. I really enjoyed his wry smile and devious grin with his eyes shining bright as he told a tale. We had a lot of fun together. I miss him already.

“ I have many memories of my favorite brother-in-law. I knew I could always call Don and ask him how to do repairs or get advise on projects that I took on, but my favorite memory, my car. Years ago, when I would drive down to Indy with my kids, he always checked my tires, the oil, belts, and even washed it! I was always so grateful for his kindness and concern.
Thank you, again Don, RIP

So sorry Janet about you losing DON. He kept us laughing with his sense of humor during high school days. I know he was on the ball so I'm not surprised he did well and was a strong worker for the Catholic Church, the SVD and that he knew how to run a party I'm sure. I'll keep your family in my prayers.
