“ Don and I were best friends as kids. We attended Hawthorne Elementary and Woodview Junior High together. We road bicycles and mini bikes throughout the neighborhood. We shared many common interests including tropical fish, HO cars, Boy Scouts and band. He was very adept at mechanical and electrical things. He was quiet with a dry sense of humor. He was a very good friend and I am saddened to hear of his passing. Thomas A DeVol, Sarasota, FI, Warren Central High School, Class of 1974

“ I met Don years ago when we both had office space at Regis. Just met him passing in the hall. What a great guy he was. I always remember him talking about his wife and daughter. I was so very sad to see he passed and the illness he had dealt with for awhile. My thoughts and prayers are with the family. Sure lost a good one way too young.

“ From the minute I picked Don up at the airport in 1984 we have been great friends. Despite living in different cities for much of that time we always stayed in touch. Don was a man of detail, a meticulous dresser and a real hard worker. He lived his family dearly. I will miss Don but have great memories and plan to keep in touch with his family members.
