“ Don was such a great dad and good husband. He was kind and patient with his wife, his daughters and their friends. The Lang house was my second home growing up and our families shared so many experiences: girl scouts, YMCA dad/daughter activities, and camping. Lots of camping! I love that later in life Don trained dogs that visited hospitals and lifted the spirits of the patients. I know his daughters and family will miss this gentle and loving man.

“ I didn't know Don as long as some of the other Kiwanis members, but Don was so helpful to me as I learned how to do the job of treasurer. He audited our books several Tim's and brought his famous green beans down when we volunteered together at Ronald McDonald house. He had a great sense of humor and truly loved his "dad" jokes. He will be missed.

“ Don and Alice were our neighbors for more than 35 years, I don,t think there was a thing Don couldn,t do. He installed my computer, put closet doors back on track, let our dog out and played frisbee with her when we were gone out of town, and would call if he saw I had left my garage door open by mistake, and willingly gave advice. So involved in so many Service projects he was a true Servant of the Lord. He was a very busy guy and good friend. Truly, I will miss him. Sandi Schulz

“ I am happy I got to share the moments with Great Grandpa Don. He took me with him to the frisbee dog things. I cherished all of the moments we had together. Even though we are not blood related, that didn't matter to him. So very thankful that we had this time. My thoughts and prayers go to everyone else in the family.
