August 6, 1951 - April 5, 2025

Donald Mac Hibler,

73, of Carmel, passed away April 5, 2025. He was born August 6, 1951 in Indianapolis, Indiana to the late Robert Hibler and Jane McCarthy Hibler. Don was a graduate of North Central High School and received his bachelor's degree from Indiana University. He was the proud owner of his own construction company, Hibler Building Co., for over 40 years.

Don was an avid IU basketball fan, loved Indy car and auto racing of any kind. He also cherished 25 years of travel with his family to the beautiful island of St. John in the U.S. Virgin Islands. Last fall, he was so happy to travel to Alaska completing a bucket list item by traveling to all 50 states. Don will always be remembered for his dry sense of humor, his exceptional work ethic, and helping pass on his carpentry skills to countless others. He was so loved by his family and friends, just as he loved them.

“ *Dear Carol, Alex and John,*

We were shocked and saddened by Uncle Don's sudden passing. Some of my best memories are from the many years of gatherings at Grandma and Grandpa's house playing hours of Pinochle with Uncle Don, Uncle Jim and My Dad. They started teaching me how to play when I was about 13 and as you know they were very, very serious and competitive Pinochle players! We had the best time eating chips a cucumber dip that was critiqued every time on who made it better. I remember the Indy 500 and Brickyard races we went to every year and the weekend camping trips at the MI NASCAR race track in June, sitting around the fire making Salina at Grandma's and at your house and who can forget Don meticulously cooking on his grill. Nothing but wonderful memories. Don will be missed but never forgotten. Love you guys.

“ *Don was a good friend, and we go back many years. As young children we were neighbors in Oxford Village and attended the same kindergarten. Don displayed his mechanical skills at an early age when several of us built a go kart together. He had a big smile and was fun to be around. He will be missed. Don, rest in peace!*

It's unbelievable how time goes so fast, but it feels like yesterday that our six group of friends had a great childhood. We did everything together. I still cherish that time and I am smiling about the adventures we all had. Your friend forever. Steve arney

“ Carol,

Please know that I am so very sorry for your loss and although I never got the chance to meet Don, I always enjoyed hearing about your stories of your travels together among other things we talked about. Being married 44 years speaks volumes to the kind of relationship you had. Please know that you are in my thoughts and prayers! Miss you!
