“ To Georgie & Kids,  
I was 5 years old when They got married. It was always Georgie & Don.  
My first memory was when I was just 7 years old. I had the measles, and I had to stay in the bedroom. It was Easter and I was lonesome. All of a sudden the bedroom door opened. A chocolate rabbit came flying in the bedroom. I knew Georgie did it. My next favorite was when I had my baby Girl. Ashley. Don brought a box of candy for me for my first Mother's Day. Being a good father and husband, Don always made time for other people. Thanks for everything.  
My prayers and love to everybody.
