“ I remember the little things about my grandpa like how he used to tease me, that was the way he showed he loved you. Also when Christmas came he always watched "A Christmas Story" and always tried to answer questions to "20 Questions" when he wasn't even playing. My grandpa was a stubborn man but he had his reasons. I love my grandpa with all my heart and I hope he knows that. Lord knows I'm praying that he's in heaven feeling better than ever. We all love you bye grandpa. rest in heaven.
