“ I spent a lot of time with your Mom and Dad...and you kids too. Your dad loved to tickle my cheeks before he shaved and I was around their house. We use to go roller skating at Riverside on Saturday nights. Mike i taught you how to skate on your plastic skates. Your dad was a special man. I will always remember him. Now he is with your Mom and Donnie along with the rest of our family. Teri, Mike, Tim, Chris, Kathy and Melissa I love you all. My prayers and thoughts are with you and your families....

“ I will always remember him as a kind gentle person. Even though we didn't get together as much as my bother and I would've liked, you guys were always considered part of our close family. I will miss him. Love, Tom Powell

“ *When I was a kid, you guys were always the brothers and sisters I didn't have. We spent a lot of time together and even though we don't see each other often, I still love all of you. I know the pain of this loss, buy we all know that your dad earned his place with your mom in heaven. He will always be in your hearts and mine too. He was always a good person, usually calm and quiet. But I do remember him getting a little testy from time to time. I think Mike was normally involved..... Not sure. Thinking of you in these difficult days. Love, Ron and Mary Morris.*

“ When your whole family came to visit me when I lived in Maryland I remember your dad taking pictures of us that were so good. Best pictures of us ever! I'll never forget those few days with kids sleeping all over the floor and going with you mom to get groceries to feed everyone. And then there was the trip to the hospital to get stitches in your chin after the Pogo(?) Stick accident. And my "baby", Chris, in his diapers, running in the woods with all of you and being attacked by ants. Poor thing, I had to strip him and wash him off with the hose. It is one of my favorite memories and probably the longest time I had been around your dad. He was so easy going and loving! I know my mon and dad loved him too.

Hi Margie, That was my favorite childhood vacation even with the pogo stick incident! I will always cherish the memories we made.
