“ I truly cared for Don Swan! He was a good man, as willing to share the burdens of life as he was a laugh and a beer. He will be missed. To Ms. Rita and family, may God's grace be with you during this trying time.

“ Don was a great person and always had time for a quick conversation in the cul-de-sac. Whether it was about IU basketball, Colts football or simply the kids and how his lawn was looking he was always someone you could count on. We had many memories together between golf, poker, or work stories. He always kept us laughing, gave great insight and was a quiet leader and father figure. He was someone you could go to for advice on kids, finances, or career. He will be truly missed and I wish the whole Swan family my condolences.

“ *Rita, I was so saddened when I heard about Don's passing. I recalled the months when Don and I would go to Indy every Saturday when we were taking the CPA review course, the constant nights of studying at your home, and getting through the actual exam. Don convincing me to take the exam and our studying together for the CPA exam changed my life and I am forever grateful to him for his encouragement and to you for being so understanding during those months of non-stop studying. I am so glad I caught up with Don a few months ago and we had a wonderful conversation. Prayers to you and the girls. Thanks Don for being a true friend and guiding light.*

“ To Rita, Sara, Emily and families and to all the Swans,

*Our love, thoughts and prayers are with you. There are so many great memories I have as a young boy with Don and his brothers and our dads. The trips across Illinois and Indiana to Cardinals and Reds games. My 'home away from home' at the Harlan Rd. house - playing endless basketball, football, baseball and card games, Betty's wonderful home cooked meals with real vegetables from the garden, watching Joe, Dad, Don and his brothers fixing cars in the yard - and along the highway when they broke down! And the times Don and brothers would come over to babysit - those were the best! Don will always have a special place in my heart - his love was often unspoken but steadfast. He was a man of principle and someone I always admired. Our deepest condolences and nothing but the best to all of you.*

“ I have known Don since our high school days in Terre Haute. He was a lot of fun and was always funny. He had a great friendly personality and was quite popular.  
Fast forward.....I was their daughter Emily's teacher at Lost Creek in Terre Haute. She was a great student.  
I am saddened about Don's passing. My heart goes out to the family. May they find comfort with all of the great memories.

I am saddened by the passing of Don. My thoughts and prayers go out to Rita and his family. Don was a good friend throughout our high school years and after. He was a groomsman at my wedding and I was one at his when he married Rita. He was a great friend and the years passed to quickly that we did not keep in touch. I have great memories of our friendship. Safe travels Don.

*I had the great pleasure of working with Don for several years when he was CFO. Don was always a steadying influence keeping the businesses on the right track. An extremely hard worker and never complained. I understand Don put himself through ISU working nights as a bookkeeper at a hotel in Terre Haute. What a work ethic! My sons worked with Don a couple of summers and we affectionately refer to him as "the old bean counter". I know Don was a great husband and father and is a role model for us to follow. We are very sorry to hear of Don's passing and our condolences go out to Rita, Sara & Emily.
